# IF YOU COULD HAVE THE BEST SCHOOL YOU CAN IMAGINE, WHAT WOULD IT BE?

At City Neighbors, we have taken a stand for schooling rooted in the vision of the child as powerful, creative, capable, and deserving of the deepest respect.

# Can you imagine A PLACE WHERE...

### the arts are an integral piece to all learning,

"DOES HISTORY MATTER?" and they have the time to do long term in-depth explorations to find answers together,

students learn actively in a workshop model,

deep and strong relationships are valued and are given time to grow,

children learn in carefully designed and beautifully created physical spaces.

standardized tests do not drive the work, and
